CW: [UI] His wife is gonna tell us the details
about this money, he's gonna speak to his
wife and she's gonna tell us.

DB: [UI] [Voice in Background]. Hello.

CW: Hi.

DB: [Foreign Language].

CW: Okay. So basically they got one hundred,
fifty thousand dollars. They paid back one
hundred thousand dollars by checks.
Monthly. Three thousand dollars checks.

/mg

So there's left only fifty thousand dollars. But the company who got money, there was two brothers. Right?

DB: Uh huh. Which is there is not here.

JOEY: So you borrowed money from somebody else?

CW: Yes. Look like that.

DB: They have that money. You know. For the company they got it with the check. Everything is normal on the papers. But when we pay, we pay every month three thousand, three thousand to the his son and he knows that. Both of them know that. Which is like, we have if the company which is that company that owner is not here. There's nothing to do with me. They have fifty thousand dollars right now but they are not here.

CW: Okay. Uh.

JOEY: When are they coming back?

DB: [UI] through all this month they are not going to come back. He can't come back.

JOEY: Uh huh.

DB: The other one, sometimes he comes almost ~~two years~~, he didn't show up here.

CW: So is it any idea with them ah why are they asking about two hundred and eighty three thousand dollars?

DB: I mean if they have any problems, let them come or let them call me. Let them talk to me because we had no, for a hundred we, now have two hundred. They know. We have the check. We have no other documents. They never paid nobody a hundred or I mean, four hundred, or two hundred. Where they get that idea?

/mg

JOEY: I mean that's like they owe us some money. So it's like, of course they pass the buck [UI].

DB: [UI] I have everything.

JOEY: That's about [UI] yeah, I mean that's ah....

DB: There's nothing illegal or nothing wrong. I got it with the check with the company, everything is on the paper. We paid them [UI] you can see, we have the check, every month three thousand, three thousand dollars.

JOEY: You have a contract ah?

DB: No. No. There's no contract. There's nothing.

JOEY: Just to pay three thousand in checks?

DB: Yes.

JOEY: And the company here? No checking....

DB: No that company is no longer there, in business. It's gone.

JOEY: So when is the last time you paid them money?

DB: The hundred, after the hundred we didn't pay monthly.

MB: No, when is the last time two years.

DB: [UI]. After, I don't know I have to check my files. Because we paid his son Ozie. So I don't know. I will you know....

MB: Round about date, Two years? one year, two years, something like that he wants to know, that's it.

/mg

DB: I don't know. Before one, after one, I don't remember.

JOEY: Mean that's the thing. I don't want to go into any specific what we are dealing with were dealing with saying you in over two hundred and eighty [UI] thousand dollars.

DB: I mean who is telling you guys they owe us four hundred, we owe them four hundred.

MB: The question is who is asking who to eliminate three thousand dollars?

DB: How they get that idea?

JOEY: I this is ah from Mustafa.

DB: No. He got the check, he know we can go to bank. We can get all the statements he needs. Four hundred, yeah right, he used to work which that bank, Wachovia or PNC, I'm not sure. I have the copy, I have everything [UI] like I can take my file out, no problem anytime. Because hundred fifty, was one hundred fifty, hundred pay back, and hundred and fifty left. [UI] money [UI].

MB: Right now we don't have the capability.

JOEY: [UI] sure that guy to come back for it.

MB: Yeah, we don't have the capability ah you know or anything like that and we just barely surviving.

JOEY: And that people that's ah involved in this company, you friends of yours or just family.

DB: No, he was my brother in law.

MB: My two brothers, they screwed me out of everything.

/mg

DB: The point is, if they gonna ask for the fifty, that means right now if we can't pay right now, we can't pay it right now because we don't have that much. Cause we couldn't afford that. But ah If I go to the different, the two brothers, I don't know. Because them, them the owner of the company. Not me. Not me.

MB: Before, not now.

DB: That's right. So. I just want to know, I mean if Mustafa has a problem, he can call me. Or Ozzy can call me, Ozzy can come here. He comes here all the time, what, never told me four hundred or three hundred.

JOEY: That's ah that's the word I got. Ah two hundred and eighty. Ah I don't know what ah, ah the limit or the balance was but now it suppose to be [UI]. Two hundred and eighty.

DB: [UI] counting with the bank I mean I didn't do nothing wrong with them. They give me hundred fifty which everything on the paper, bank statement, the statement, that statement, my statement, and we paid three thousand every month, we have that.

JOEY: Is that something ah just like in ah let me talk to my people. Is that something you can pull up, like a bank statement to show?

DB: Sure.

JOEY: If ah....

DB: Hundred fifty?

JOEY: Yeah. Ah hundred and fifty.

DB: He can go to his bank too. He can go to his bank and take the file.

/mg

JOEY: But you know what I am saying, he saying one thing, you're telling me something else.

DB: I can prove that no problem.

JOEY: If, if he got that we can go back ah to his people and what's the deal here.

DB: If it take problem, I would even go to his bank. I know the owner. I will get the statement from that because they're not gonna give me that statement but I can, I have file I can pull my files. I call bank, I will go to bank together, I will get the hundred fifty thousand made up to do my company, or their company that's fine. No problem.

JOEY: Alright. Alright. I mean that's, let me talk to my people and you're usually here during the day or okay?

DB: Yeah. I'm here always.

JOEY: Alright.

MB: She's the boss.

DB: I'm here always.

JOEY: The ladies always are. Aren't they? But ah yeah I'll, I'll I wanna let you know....

DB: When did you see Mustafa.

JOEY: Huh?

DB: When did you see Mustafa.

JOEY: I was asking people ah I am dealing with so they, they deal with him.

DB: So they, does Mustafa owe you guys money?

JOEY: They hey [UI] I would rather not go into

/mg

it. [UI].

DB: Four hundred?

MB: Don't ask.

DB: Why? he ask me, I have to know.

JOEY: Well hey just say it's concerning money.

DB: Oh.

JOEY: Everything is with money. You know. So ah let me ah I will talk to my people, and get back to you. If you would pull that up and I'll appreciate your help. Alright?

DB: [UI].

JOEY: Huh? Well. I mean yeah its ah....

DB: Can I have your name too by the way.

JOEY: Yeah, It's Joe. Joey. Friends call me Joey.

DB: And Mustafa knows you're here?

JOEY: Huh. Yeah. Yeah.

DB: Mustafa know you're gonna come here. [UI].
[UI] can't get....

MB: Huh?

DB: Do you have any ID with you I can get, any ID?

MB: Yeah.

JOEY: No, no, Some people don't deal with ID's. I know you do.

DB: That's right.

JOEY: That's your business.

/mg

DB: Okay, can you put your name and phone number. No. [UI] say Joe came in and [UI] ask about the.

JOEY: Alright. So. Alright.

DB: Any problems [UI]. It's okay. Anytime.

JOEY: Alright.
